

cache T LEVEL IN EDUCATION & CHILDCARE

WHAT ARE T LEVELS?

- T Levels are brand new technical qualifications that combine teaching in the classroom along with a significant industry placement with local employers
- The T Level is equivalent to 3 x A levels and is widely accepted at universities
- The T Level in Education and Childcare provides both a licence to practice in early years as well as UCAS points to access university to study a wide range of degree programmes in the fields of education, health and social care
