

Dear Parent / Carer,

Remote Learning 7b1

Thursday 15th July 2021 - Friday 23rd July 2021

On Thursday 15th July teachers will set work via google classroom. From Friday 16th July teachers will deliver online 'Live Learning Support' sessions in line with your child's timetable via MS Teams. These sessions will be a chance for your child to receive advice and guidance from their teachers and ask any questions about how to complete the assessment preparation tasks set on Google Classroom and on MS Teams (Computing and Business). Some subjects may also ask students to undertake mini assessments during these sessions. Students will be able to complete tasks whilst their teacher is present. Students will be able to move from lesson to lesson following their timetable, via Microsoft Teams. **Due to the timing of this self-isolation students should return to school at the start of the new academic year in September.**

Students can log in to each of these live sessions for as long as they are able. For instance, if your child needs to share a device with another family member to complete their work, they may need to take it in turns to access their timetabled lessons. To access Live Learning Support sessions, your child will need to log-in to Microsoft Teams via their Student Portal, click on 'Teams' and then select the relevant class. If you are having problems accessing the home learning offer, please contact the Head of Year 7, Mr Cook on 01723 362301 or m.cook@scalbyschool.org.uk

A link to the training videos and resources for students, as well as a special video for parents about how to access and use Google Classroom, can be found on the school website. On the front page of the website, you will see a link that reads **Guide to Accessing Google Classrooms from Home**. You can also go to this address directly <https://www.scalbyschool.org.uk/home-learning/guides-to-accessing-google-classrooms-from-home/> You'll find the videos there.

If you have any questions about how to support your child when learning from home, please do not hesitate to get in touch with the school. You can contact your child's Head of Year via email or phone the school directly to seek support.

Please be reassured that students will have enough opportunities over the coming weeks to demonstrate their skills and knowledge to supplement the assessment data teachers already possess.

Headteacher: Mr M. McCluskie
