Dear Parent/Carer,

Year 11 GCSE Important Information

So far, our Year 11 students have approached GCSE examinations with focus and determination. This has been very impressive given the challenges they have faced over the past two years. I wanted to draw your attention to some important dates and information over the next few weeks as exams end, and students prepare to leave school.

Firstly, study leave will begin for all students after the morning Biology exam on Wednesday 15th June. Students will be free to leave the school site at approximately 10:30 once this examination has finished. If students are taking History GCSE, they should remain in school for the remainder of that day to take part in an afternoon History masterclass. From Thursday 16th June to Thursday 23rd June, Year 11 students should only come to school if they have an exam or to attend a masterclass.

If students have a morning exam or masterclass, they should arrive in school by 8:20 and go straight to the dining hall. From here they will be sent to the relevant masterclass or examination. For afternoon exams or masterclasses, students should arrive in school at 12:25 and go straight to the main hall next to reception. Once here they will be sent to the relevant exam or masterclass. Students will be expected to leave the school site once their exam or masterclass has finished. Details of all exams and masterclasses are available on the timetable that was provided to students prior to the exam period starting. Students coming into school during this period are still expected to wear full school uniform.

Secondly, following the final Science exam on Thursday 23rd June there will be a short leaver's assembly and the chance for students to say goodbye to school for the last time.

Finally, on Friday 1st July, the Year 11 Prom will take place at the Spa. Tickets are currently on sale in school until Friday 17th June. Tickets for the event cost £35 and are available from Mr Hutton. Please make cheques payable to Coast and Vale Learning Trust. If you have any queries relating to the information provided in this letter, please contact Mr Hutton by phone or email in the first instance. A.Hutton@sc.coastandvale.academy

Yours faithfully,

Mr C Robertson
Head of School
