**Location:** Scarborough UTC

**Contract:** Fixed term for 12 months in the first instance

**Hours/ Working Pattern:** 37 hours per week.

**Salary/ Hourly Rate:** Main pay scale.

**Closing Date:** Friday 17<sup>th</sup> February 2023, at 9am.

**Interview Date:** Week commencing 20<sup>th</sup> February 2023.

**Start Date:** September 2023 (earlier availability may be discussed).

### **Scarborough University Technical College**

Scarborough UTC is a growing University Technical College (year 9 to year 13) based in a new building, with fantastic technical facilities in the centre of Scarborough. As a University Technical College we offer a high quality academic and technical education for our students through the specialisms of engineering, health and cyber security. A UTC by nature delivers 60% of the week in specialism related subjects and these are enhanced with core subjects and with an EBACC option and RE, PSICHE and PE. Our unique approach also provides students with an excellent range of enrichment opportunities including Combined Cadet Force (CCF Navy), strong links to our industrial partners, project-based learning and our flagship Career Development Programme for our Sixth Form students.

Scarborough UTC underwent a 'good' Ofsted Inspection in November 2022. There has been a transformational change since the previous pre-covid inspection, it is a growing college, hence the creation of these posts. We would encourage any applicant to have read the inspection report, which is the rightful and accurate summation of considerable work by the college staff.

Our staff are our greatest resource and we have invested in both our teaching and support staff teams which has ensured that educational standards have improved significantly. We have built a staff team of key support and teaching practitioners who are proud to work at our University Technical College. "Staff morale is extremely high...described as a family" Ofsted 2022.

### **Our Opportunity**

We are seeking to appoint an enthusiastic and motivated Teacher of English and PSICHE to join our department. At the UTC we believe PSICHE – we call it World Views and Modern Issues is integral to strong personal development. As such it is taught in the main by specialists and is tied to English. The proportion of WVMI: English teaching next year is likely to be 25:75.

The successful candidate will be able to plan and teach engaging English lessons as part of our STEM-rich curriculum. Students have discrete English lessons from KS3 to KS5 and the successful candidate must be able to teach across the ability range. At KS5 we currently only focus on those on resit

English, but this is an area of growth for college. The team is currently made up of 2 staff, these appointments would form a cohesive department of 3.

**Role & Responsibility:**

- Understand, meet and promote all aspects of the teacher standards
- Have excellent subject knowledge demonstrating a true passion and commitment to English and PSCHE; be a learner, continually reflecting and considering steps to make to develop and enhance practice

**Coast and Vale Learning Trust**

Coast and Vale Learning Trust is a growing family of schools located on the beautiful Yorkshire Coast. The Trust was founded by Scalby Secondary School but has grown over the last few years to include Newby and Scalby Primary School, Friarage Primary School and Scarborough University Technical College (SUTC) in Scarborough, Lady Lumley's Secondary School in Pickering, and Filey Secondary School in Filey. Our ambition is to continue to welcome new schools into our Trust where we can add capacity, resources, improvement and make sure all our young people have access to the very best education.

The aim of the trust is to serve all the education community along the North Yorkshire Coast and down the Vale of Pickering. We are committed to supporting all schools in becoming great schools, whether they are part of Coast and Vale Learning Trust or not. The learners of our community deserve the best education regardless of their background or location.

Choosing where to work and who to work for is one of the vitally important decisions in life. In choosing to work for Coast and Vale Learning Trust you would be joining a team of colleagues dedicated to transforming the lives of 3000 children and young people. We have a simple vision in wanting our schools to be places 'where children and staff thrive'. Coast and Vale Learning Trust will work tirelessly to make this a reality.

**Working For Us**

As well as being committed to your ongoing development and training we also offer a range of employee benefits including a competitive salary, access to a government pension scheme, an employee assistance programme as well as a variety of retail discounts.
