Dear applicant,

Allow me to extend a warm welcome from all governors, staff and students of Scalby School.

I was delighted to be appointed Head of School and while any Head will say their school is special – I truly believe Scalby is.

It is hard to encapsulate in words the full dynamism and vibrancy of our school. We are hugely proud of our students and privileged to serve them and this community. We see it as our professional and moral duty to prepare them as individuals to play their part as 21st century citizens – rounded and centred and aware of all they might contribute to the world. In practical terms, this commitment is manifested in the lessons we deliver, the extracurricular opportunities we offer and in the wider opportunities we promote.

Scalby is a school with a strong academic tradition but we are equally committed to the Arts, to sport and to collective and individual achievement beyond the classroom. Our annual productions held at the Stephen Joseph theatre are testament to this, and over the years we have seen productions of Macbeth, Romeo and Juliet, Our House to name but a few.

We have developed and benefited from our partnerships within Coast and Vale Learning Trust, Scarborough Teaching Alliance and local secondary and primaries – a few reasons to join us!

In recent years enormous strides have been made to further increase learning standards. This hard work has seen results improve consistently and led to Ofsted rating our school as 'Good' in 2012 and in 2019. I truly believe we are a school with highly effective teachers and support staff producing outstanding outcomes for our students.

I hope you can see that this is an excellent time to join Scalby. If successful you will join a staff team of wonderful professionals who have ambition for our students and for themselves. I take pride in ensuring colleagues receive opportunities to develop their skills and experiences – and we have an enviable reputation for delivering high quality professional development.

I hope that you will take the time to come and see and experience for yourself the warm and welcoming atmosphere which makes our vision a reality.

Good luck with your application.

Chris Robertson
Headteacher

Our results

Scalby School's last set of externally examined GCSE results in 2022 were characterised by good levels of achievement.

Our students consistently make significantly better progress than their peers did nationally. Results in English, Maths and Science are above the national averages at Grade 4 and Grade 5, with 32% of students achieving a Grade 7 or better in English, 28% achieving Grade 7 or better in Maths.

Recent results are particularly pleasing because of the high number of students who achieved Grade 8 and 9 across a number of subjects.

None of these fantastic results would have been possible were it not for the professionalism and dedication of our teachers and learning support teams. These results mean that our students leave us now being able to access a wide range of post-16 courses at college and they have the skills and knowledge valued by employers."

Our success in our GCSE results follows our positive Ofsted inspection in February 2019. We are delighted that the high quality of education on offer has been doubly validated at a national level.

Our schools

Newby and Scalby Primary School

We are one of the schools of choice in our community and we are within commutable distance of Whitby, Teesside, York and surrounding areas.

Children and staff will work and play together developing skills so that we all become ambitious and reflective lifelong learners as well as being respectful and respected members of the community.

Scarborough University Technical College

Scarborough UTC is a growing University Technical College (year 9 to year 13) based in a new building, with fantastic technical facilities in the centre of Scarborough. As a University Technical College, we offer a high quality academic and technical education for our students through the specialisms of engineering, health and cyber security. Our unique approach provides students with an excellent range of opportunities including Combined Cadet Force (CCF Navy), strong links to our industrial partners, project-based learning and our flagship Career Development Programme for our Sixth Form students.

Our work with employers and universities ensure we are able to deliver an innovative blend of technical, practical and academic learning which ensures our students make good progress and go on to outstanding destinations.

Our staff are our greatest resource and we have invested in both our teaching and support staff teams which has ensured that educational standards have improved significantly. We have built a staff team of key support and teaching practitioners who are proud to work at our University Technical College.
