

Scalby Learning Trust

Scalby School

Travel Plan

Description of the school:

Scalby School is an academy school in Scarborough, North Yorkshire with a student population of 1008 (at 01/09/2016), a teaching staff of 63 together with 62 support staff. Additionally the school contracts with NYCC for catering and cleaning services which adds 12 catering staff at lunch-times and 15 cleaning staff at the end of each day.

The school is situated to the north of Scarborough in a built-up residential area on a narrow road approximately 100 metres from a busy main road and public transport (bus) links on the A171 Scalby Road.

Scalby School

Travel Plan

There is a 20 mph speed limit along Fieldstead Crescent in front of the school, which is also a one-way street there, and 30 mph limits on the adjoining roads – Hirstead Road, Greenstead Road, Coldyhill Lane and Green Lane. The school has two staff and visitor car-parks, catering for approximately 65 vehicles. Zig-zag and double yellow lines outside the school and its entrances prevent parking on the school side of Fieldstead Crescent but parking is allowed opposite and on the adjoining road.

The school catchment area supports both urban and rural communities. It is from villages to the north of Scarborough including Ravenscar, and along the Pickering Valley between (but not including) West Ayton up to Roston. It also includes an area to the east of the school, cutting through the Barrowcliff Estate and along Wreyfield Drive. The catchment's travel distance is generally within 12 miles of school, but a significant minority of students come from out of this catchment. Approximately 80% of students travel 3 miles or less.

See Appendix 1. Catchment Map

The Travel Plan was originally prepared for the school in March 2005 and funding was paid to the school in order to carry out improvements proposed in that plan. The Plan was updated and approved by Governors in February 2013.

See Appendix 2. Follow up to previous Travel Plans.

Objective of the Travel Plan:

The objectives of this travel plan are to:

- Make journeys to and from school as safe as possible, and
- Encourage more active, sustainable modes of travel such as walking and cycling

Links to the Curriculum – Are to be developed by the Deputy Head Teacher and embedded into the curriculum and assembly calendar
