

Student Portal – How to Login Guide

Redeem Invitation Code

Students would go to the following web address and press **Redeem Invitation Code** – <https://vle.bromcomcloud.com/>

The screenshot shows the Student Portal login interface. At the top left, there are two red stick figures representing a boy and a girl. To their right, the text "Student Portal" is displayed in a bold, red font. Below this is a large blue button with the text "STUDENT LOGIN" in white. Underneath the button are three input fields: "School ID" with a keyboard icon, "Username" with a person icon, and "Password" with a lock icon. Below the password field is a checkbox labeled "Remember School ID and Username". To the right of the checkbox are two links: "Forgotten Login Details?" and "Redeem Invitation Code?". The "Redeem Invitation Code?" link is highlighted with a red rectangular border. Below these links is a large blue button with the text "Login". At the bottom, there is a section titled "Single Sign-On Providers" with two buttons: "Login with Google Account" (featuring the Google logo) and "Login with Microsoft Account" (featuring the Microsoft logo).

Student Portal Redeem Invitation Code page

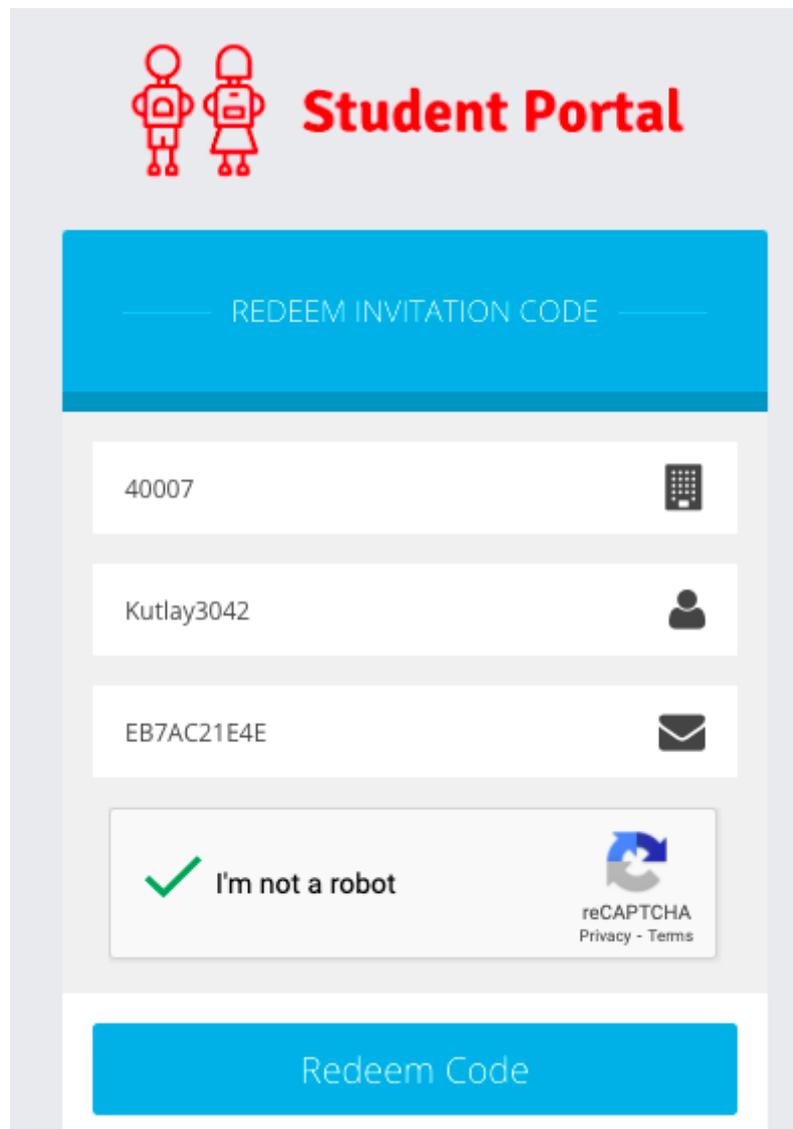

From here, they will enter the following **3 pieces of information** they received from their School

- **School ID** – This is the same for all Students at your School
- **Username** – Unique to each Student
- **Invitation Code** – Unique to each Student

School ID: **40007**
Username: **Kutlay3042**
Invitation Code: **EB7AC21E4E**

Example details received via Email

Once everything is entered, tick 'I'm not a Robot' and click **Redeem Code** (unless you are a Robot).

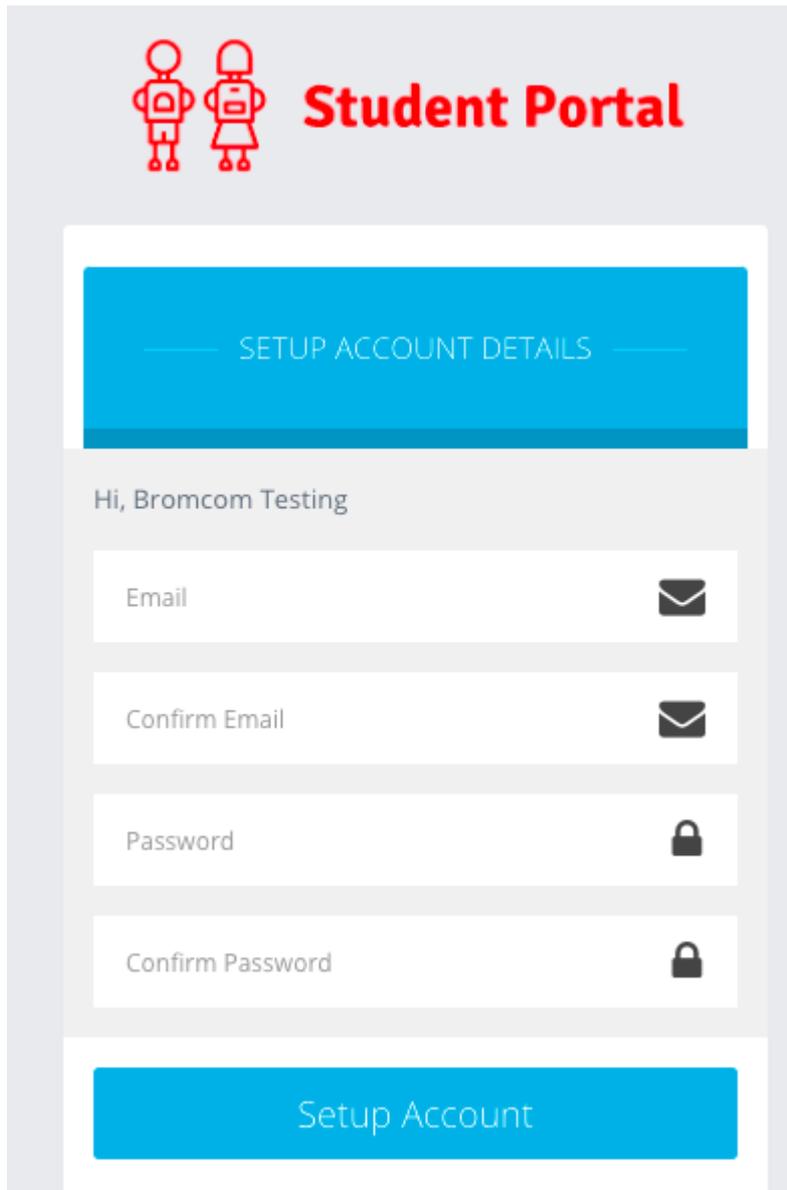

The screenshot shows a mobile application interface for a 'Student Portal'. At the top, there are two red robot icons and the text 'Student Portal' in red. Below this is a blue header bar with the text 'REDEEM INVITATION CODE'. The form consists of several input fields: a numeric field containing '40007' with a numeric keypad icon; a text field containing 'Kutlay3042' with a person icon; and another text field containing 'EB7AC21E4E' with an envelope icon. Below these fields is a reCAPTCHA section with a green checkmark and the text 'I'm not a robot', and a reCAPTCHA logo with the text 'reCAPTCHA Privacy - Terms'. At the bottom of the form is a large blue button with the text 'Redeem Code'.

Example details entered

Create a Password

This will then take the **Students** to the next step where they will enter a valid **Email Address** and **CREATE a Password** of their choice, before pressing **Setup Account**.

Note: The password is used to log in moving forward so it is crucial to remember this.

The screenshot shows the 'Student Portal' interface. At the top left, there are two red robot icons. To their right, the text 'Student Portal' is displayed in red. Below this, a blue button with white text reads 'SETUP ACCOUNT DETAILS'. Underneath the button, the text 'Hi, Bromcom Testing' is shown. The form contains four input fields: 'Email' with an envelope icon, 'Confirm Email' with an envelope icon, 'Password' with a lock icon, and 'Confirm Password' with a lock icon. At the bottom of the form is a large blue button with white text that says 'Setup Account'.

Next stage – Pre entering

Email/Password

Note: When creating the **Password**, it must contain all of the following.

— Password must have
8 or more characters
1 uppercase character
1 numeric character
1 special character
1 lowercase character

A weak example would be Password1\$

A strong example would be PaS5W0rd_\$

Once an **Email** and strong **Password** are entered, press **Setup Account**.

Student Portal

— SETUP ACCOUNT DETAILS —

Hi, Bromcom Testing

testing@bromcom123.com

testing@bromcom123.com

.....

Setup Account

Email/Password

Next stage – Post entering

The **Student** should then receive a success message stating that the Account was successfully created.

They would then press **Back to Login**.

Success Message

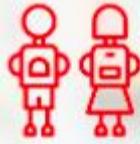

This will take them back to the original **Home Screen/Login Page** where they would now enter the following details and press **Login**:

Log in the Student Portal

School ID – This is the same for all Students at your School

Username – Unique to each Student

Password – Unique to each Student, they have just created this in the previous steps
