Dear Scalby School, this is Olivia writing to you.

I would like to say a massive thank you for a absolute amazing day out - an extra big thank you towards: Mrs. Buric and also Mr. Aston. Despite the torrential rain, only at the begining of the day, I thoroughly enjoyed every moment of the day, I also have great belief I wasn't the only one who loved the trip.

I have to admit I was quite apprehensive about coming to Scalby School, however I was extremely wrong. My favourite part of the day was drama (with Mrs. Buric) I was Hermia at the very end. The best part of drama, for me, was acting out the play and also playing the games however the freeze frames were fun.

.....

.....

I also enjoyed music with Mr. Aston, however my favourite part of the lesson was at the end when we had free time.

All in <sup>all</sup> one, I thoroughly enjoyed the day in the results <sup>of</sup> to it consisting of fun and great memories, however important lessons as well (which were as fun).

Yours sincerely  
Olivia Lester.

Dear Mr Aston,

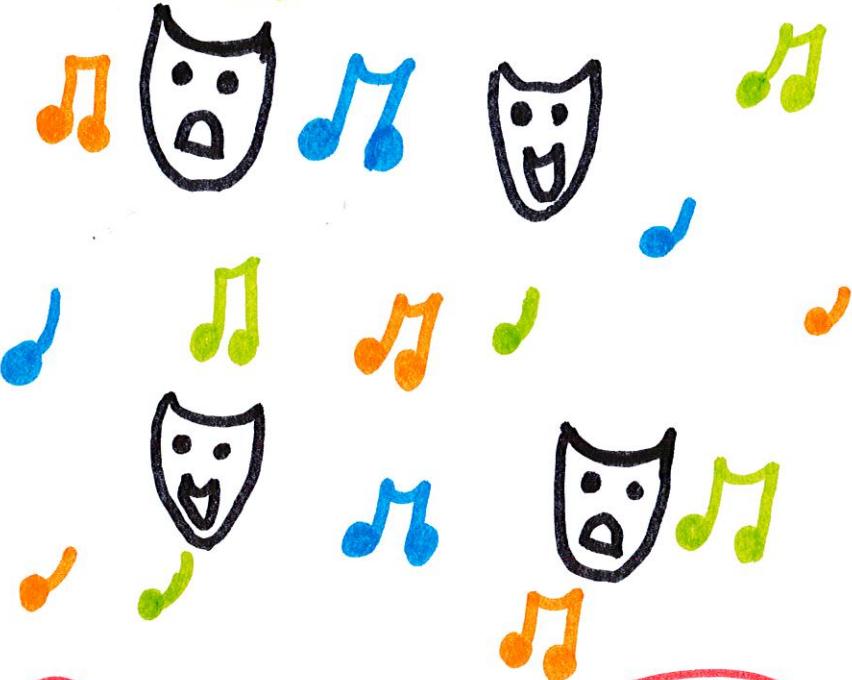

I am writing to you to say a massive thank you to you for settling us in to Scalby School and taking us through the fabulous, marvellous and fantastic day at Scalby School.

My personal favourites from the day were: making a love song with you, when we all got to go on a new app, which I have never been on before, logic Pro X, doing the play rehearsal, doing the actual play in front of all our parents and last but not least meeting some of the old year 6s from our school. The really sunny parts were when people couldn't say all the Shakespeare words.

I would like to finally congratulate you for giving us all such a good day. I really appreciate the work you did for us.

Yours Sincerely  
Tom Benson

Dear Mr Aston and Mrs Buric,

I, Teigen, am writing to you because I feel you deserve an extremely big thank you for all your hard work, that we appreciate, on giving us a brilliant day - you definitely succeeded (on giving us an unforgettable experience).

First, I would like to say, a big thank you to Mrs Buric, for giving us the opportunity, to get a taster, at what drama will be like, in Secondary School - I'm sure I'll love it, just as much as I did before. In addition, I enjoyed doing Shakespeare - Midsummer Night's Dream. I was narrator 4 and 9 so as a result I had to say lots of Shakespeare words. Thank you Mrs Buric! I had a great time during drama.

Next, I would like to say, a huge thank you to Mr Aston, for teaching/showing us how to use logicprox. I enjoyed making my own music, I also liked the magical theme. I learned some

different types of instruments to. At the end of the music lesson, my favourite part (of music), we got to try using already made beats/sounds. Overall I really enjoyed music - it was truly amazing! Thank you Mr. Aston!

In the beginning, I was a bit nervous about coming to Scalby, however, by the end it was a completely different feeling. I enjoyed my trip - I can't wait to come back.

To conclude, I'd like to say that I, Teigen, really appreciated you giving us this amazing opportunity. Mr Aston and Mrs Buric thank you for giving up your lesson time for us also thank you Scalby School, for letting us come for a visit.

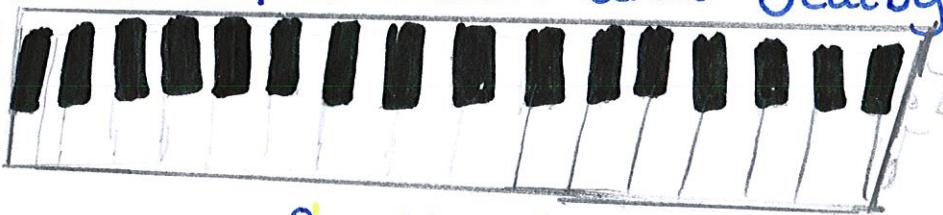

Yours sincerely,  
Teigen

P.S. Thank You !!!

Teigen.

Dear Mr Aston and Mrs Burik.

I am writing to you because I have really enjoyed my visit to Scalby and I would like to thank you for my lovely day.

It was really fun and exiting I really enjoyed meeting all the teachers and pupils they all were really nice, both the activities were really fun but when I think about it I prefer doing the play ~~and~~ performing arts because I havent really done Shakespeare before and I thought that hearing all the different and old fashioned words was really fun and challenging.

ed e

But I really liked doing music/I.C.T.  
and making **\*** my own music; it was  
so fun on Logic pro making my  
macal theme and doing the music  
really was great especially when it was <sup>played</sup> played  
during the play. **\***

Thank you for an amazing day at  
Scalby I really enjoyed it - thank you

Your Sincerely Sabrina Yelin. :-)
