

Dear Parents and Carers,

As you will be aware, we are currently aligning our English curriculum with Delta Academies Trust. This means that there will be some alterations to our current systems and processes. One of these alterations involves the setting of Year 11 students. Students are already streamed in English. This streaming comes from prior attainment data. Occasionally, we make changes to class sets throughout their time at Scalby, according to the needs of the students.

This year, we have used a combination of current trial exam data, class work, prior attainment and target grades to set our Year 11 students. The setting will be revisited after each trial examination period in the year. This may mean that your child may move sets after key assessment points in Year 11. The intention behind any set move is supportive. Set moves are designed to allow teachers to focus on specific areas of need with students at a whole class level.

There will be an opportunity to discuss the setting of your child at parents' evening this evening. If you have any further questions about the setting of Year 11 students, please do contact me.

Yours Faithfully,

Mrs Vickers
