

Tuesday 4th February 2025

Dear Parents and Carers,

We are delighted to be able to share with you that we have received government approval for Coast and Vale Learning Trust to join Delta Academies Trust. This means that Scalby School will join Delta later in 2025.

Delta is a very high-performing family of schools with a national reputation for educational excellence, which benefits from well-established systems and structures of support, challenge, and targeted intervention.

We are working closely with our colleagues from Delta and Scalby School has already benefitted from leadership and curriculum support. We are looking forward to Coast and Vale pupils and students being able to access the full range of Delta resources, including enhanced learning environments and access to Delta's two outdoor education centres in the Lake District and North Yorkshire. Staff will also enjoy wider training and development opportunities to support them in providing the very best education for your children.

We will continue to update you as the project progresses but wanted to share this exciting news with you as soon as possible.

Thank you for your continuing support.

Yours faithfully,

Mr C Robertson
