The Trial Exams are intended to give our students an experience of revising and preparing for the examinations that they will sit in the summer of 2026. Your son/daughter's teachers are now in the process of providing important preparation during their classroom lesson for the Trial Exams and it is crucial that our students use this preparation to structure their revision and homework from this point forward.

Last week, we invited you to a 'Preparing for Y11' Parents Evening on Tuesday 20th May 6-7pm. During this evening, we will go through the trial exam process as well as giving you vital information about your child's transition into Y11. It is very important that you book onto this evening. This can be done via our school website. The link has also been sent to you via the MCAS app.

Following these trial examinations students will receive feedback on performance that can also be used to support their learning towards their exams in 2026. There will also be opportunity to discuss these examinations at the parents evening planned for Thursday July 10th, 2025.

Yours sincerely

Mr R Davis
Deputy Head Teacher
